by Karthik Muralidharan

Publisher: Penguin Random House India

Citation:

The Crossword Book Award 2024 in the Business and Management category is awarded to Accelerating India's Development: A State-led Roadmap for Effective Governance by Karthik Muralidharan.

This exceptional work stands out for its originality, depth of research, and the practical, evidence-based strategies and conceptual frameworks it offers. With a focus on governance and state-led development strategies, the book addresses some of the most pressing challenges facing India today with the central emphasis on the need to improve state capacity and public service delivery. Its solutions-driven approach, rooted in rigorous analysis, bridges the gap between policy and practice, offering actionable insights that are as relevant for leaders, civil society, entrepreneurs, and students as they are for policymakers.

By empowering stakeholders with a clear and strategic roadmap, this book not only advances the discourse on governance reform but also inspires meaningful change in both policy and business realms. It is a landmark contribution that will resonate for years to come.
